
TRADE UNION BARGAINING FOR GENDER EQUITY

A step-by-step guide on how to approach bargaining for gender equity in the workplace

STEP 1. GET INFORMATION

Convene meetings and discuss the working conditions of women to identify issues to rally around.

STEP 2. DETERMINE THE KEY ISSUES

For example, work-family balance; transport; affordable care; equal pay and non-discrimination.

BARGAIN AND IMPLEMENT

Innovate, organise and fortify trade union structures and bring the labour rights of all workers to the bargaining table.
